DURADECK

Revolutionary decking technology

THE ULTIMATE maintenance free outdoor decking solution.

100% STAIN-PROOF against Red Wine / Food / Bird Droppings.

SPECIALLY FORMULATED polymer outer shield has improved scratch resistance and prevents mold and mildew formation.

POLYMER SHIELD prevents moisture from being absorbed into core structure thus drastically reducing rapid expansion and warping issues.

PATENTED SHIELD polymer Cap allows the creation of exceptionally vivid deck colours that last longer than conventional uncapped composite decks.

CLEANING YOUR DECK has never been easier! With DuraDeck Shield all that is needed to clean up nasty spills and BBQ mess is just water and regular floor detergent.

Toffee Teak
TT - 23140

Honey Rum
HR - 23140

Earl Grey
EG - 23140

Coffee Walnut
CW - 23140

DURADECK

Ultra Embossed Composite Deck

Natural and realistic wood grains to mimic real wood without the maintenance involved

Patented Ultra-Embossing technology creates a deeper and more hard wearing surface with improved anti-slip properties

Market-leading weight load bearing of 450kg with standard 350mm base span

Superior UV resistance for less fading. No varnishing of deck is required

DURAFLOOR

ULTRA RESILIENT VINYL FLOORING

Market Leading 0.55mm Commercial Grade Wear Layer

Patented Uniclic Locking System

VOC and Formaldehyde Free

Service
